GAMUT PLUS

Intermediate-Level Disinfectant/Cleaner

A multi-purpose disinfectant, decontaminate and cleaner proven to kill TB in ONE minute!!!

Gamut Plus is a ready-to-use, broad spectrum disinfectant for use on all environmental surfaces and inanimate objects. The multi-purpose solution does the job of three products – cleans, disinfects and decontaminates. Save money through increased efficiencies and reduced inventory. Gamut Plus is an ideal product to use as a pre-soak solution prior to instrument processing.

The biodegradable formulation is proven to kill fungi in 5 minutes, as well as TB and bacteria in just ONE MINUTE.

The non-toxic, non-irritating formulation is safe to use on all hard non-pourous surfaces and fixtures including plastics, stainless steel, chrome, glass and plexiglass. The fine aerosol mist ensures effective penetration of cracks and crevices.

Gamut Plus is the ideal product for surgical centers, medical and dental operatories and other clinical care areas.

Together, Gamut Plus and Gamut Plus Wipes provide a reliable means of assisting dental/medical personnel in preventing cross-contamination. Ensures a safe working environment.

- **Biodegradable**
- **1-minute TB kill**
- **Destroys mildew, mould and fungi**
- **Also available in a wipe – GAMUT PLUS WIPES**
- **Effectively cleans blood and all types of organic soils**

A solution to meet all your infection control needs!
