Sterilization Pouches

PROFESSIONAL'S CHOICE

Class 4 | Internal & External
Multi Parameter Indicator Pouch

Item No.	Size	Box Qty
442089	2.25" x 4"	200
442090	2.75" x 9"	200
442100	3.5" x 6.25"	200
442101	3.5" x 9"	200
442102	5.25" x 10"	200
442103	7.5" x 13"	200
GS1016	10" x 16"	200
GS1318	12" x 18"	200

- Constructed of the finest surgical grade paper
- Multi-layer fracture-free tinted blue film to provide a clean, fibre-free peel
- 100% Fail-resistant, self-adhesive tape to ensure a perfect seal
- 3 Parameter check (time, temperature, and steam)
- Safe lead-free printed inks

Chemical Indicators

Vapor Line | Class 5 Integrator

- For monitoring all steam sterilization conditions (saturated steam, temperature, time)
- Easy to read results — dark bar migrates through PASS and FAIL for clear reading
- 250/bag

Bowie Dick Green Card | Class B Sterilizers

- Easy to use, reusable holder
- Superior ink chemistry
- Permanent colour change
- To be used in all Class B sterilizers (such as Bravo, Lisa and Elara II)
- Environmentally responsible — no waste paper, no lead ink
- Starter Kit (31 test cards + card holder)
- Refills (30 test cards)
- Use **DAILY**

Cross-Checks S | Class 4 Indicator

- Multiparameter indicator for monitoring steam
- Requires all parameters for steam sterilization to be met before colour change can occur
- Blue to black colour change is permanent, indicator can be used as a record
- 250/bag
- For use in **EVERY WRAPPED CASSETTE**

Associated Products

E2O Dental Waterline Treatment

- Safe to use eco-friendly solution
- Biofilm and bacteria control

E|Line Complete Control

- Includes: E2O Dental Waterline Treatment + Water Quality Check Kit
- Test dental water in-office

Learn@Lunch

For over 60 years Germiphene has prided itself on quality products and service. It is important to us to offer our customers not only a wide variety of products, but support and education. We provide professional in-office training to keep you safe, compliant and informed of new guidelines and industry developments. Ask about our learn@lunch programs on infection control and waterline testing.
