FREE Seminar

Infection & Prevention Control

GERMIPHENE®

A review of Infection Prevention & Control for Clinical Office Practice April 2015.

Thursday October 5, 2017	**Chatham-Kent Public Library** 120 Queen Street Chatham, ON N7M 2G6	6:00–8:00pm

Presented by: Linda McLarty, Germiphene

Straight forward and down-to-earth, Linda McLarty has over 25 years experience in dealing with dental personnel regarding infection prevention and control and compliance. As Director of Education at Germiphene Corporation, she is committed to providing you with evidence-based, scientifically sound information. Linda is able to bridge the gap between guidelines and standards to practical solutions for you in your practice. Discussion generating and problem solving are an integral part of her presentations.

Inspections from health units has resulted in a few dental offices being closed. Are you up-to-date with infection prevention and control policies & procedures in your practice? Join Linda as she reviews the expectations of these guidelines.
