ONE STEP SANITIZING & MOISTURIZING

Effective	Antiseptic skin cleanser and moisturizer that kills harmful bacteria and germs preventing the spread of illness and cross-contamination.
	70% Ethyl alcohol is tough on germs, gentle formulation is ideal for repeated use.
	Hydrating formula replenishes the skin's moisture barrier.
	Proprietary ingredient creates a stable, fluffy foam — applies like cream.
Convenient	Fast-drying — convenient for glove donning.
	Non-sticky, non-greasy formulation.
	Non-clogging formulation eliminates messy splatter during application.
	One pump goes a long way. Approximately 300+ applications per bottle.
	No rinsing required — no water, no towels, no mess.
	Dye-free, non-staining, non-aerosol foam.
❋	Ideal for use in conjunction with Ureaka Healing Hand Cream and Thyme for Soothing Skin.

550 mL | 1L Wall Mount | 1L Refill
